TRAVELCARD SERVICES)

O R D E R

On March 3, 1987, US Sprint ("Sprint") filed a tariff revision proposing to rename its existing WATS products and make other minor technical corrections; to change the method by which customers' WATS bills are calculated by removing the requirement that customer usage be averaged over all WATS lines; and to introduce Sprint UltraWATS service and Travelcard services.

On March 9, 1987, the Commission notified Sprint that pursuant to 807 KAR 5:011, Section 6(2)(c), a cost of service study justifying the proposed rates must be submitted and that the 30-day notice required by 807 KAR 5:011, Section 9(2), would not begin to run until all required material has been filed with the Commission. The required material has not been filed.

The Commission is of the opinion and finds that further investigation and possible hearing will be necessary to determine the reasonableness of the proposed tariff. However, investigation and possible hearing cannot be completed prior to the proposed effective date of April 1, 1987.

On March 31, 1987, South Central Bell Telephone Company ("SCB") filed a Motion for Full Intervention in this proceeding.

IT IS THEREFORE ORDERED that:
